The Rover Bold (Viking Roots Medieval Romance Saga) (Volume 1) Anna Markland

Readers of my books have come to know and love members of the Montbryce family. The Rover Bold travels back in time to introduce their Norse ancestors. Even if you aren't acquainted with the Montbryces, the FitzRams and the Sons of Rhodri, you'll enjoy this adventurous tale of Viking rovers who set sail for Francia in the tenth century in search of a better life. That much is historical fact. Their leader, Hrolf Ganger, became the famous Rollo, founder and first Duke of Normandy (named of course for the North Men) and a direct ancestor of William the Conqueror. This is the fictitious story of a man who came with Rollo, a Rover Bold destined to establish a powerful dynasty of his own.
