Death Hawk: You can hire him, but can't buy him...until now! This collection features the 25th century salvage expert and his protosymbiotic partner (an intelligent blob of goo) called Cyke that is connected to his body. The hard-luck heroes and the beautiful but treacherous con-artist Vanessa Bouvier find themselves unwilling partners as they engage in a quest to discover the secrets behind the ancient alien race known as the Skril and the sole surviving relic of their culture - the mysterious Soulworm. Death Hawk's wry vision of the future includes giant worker ants, super-samurai, bloodthirsty chicken-men, and a whole planet of people bioengineered to be perfect...as well as murderous. Featuring art by Adam Hughes. Foreword by New York Times best-selling writer, Douglas Clegg. If you're a fan of Joss Whedon's Firefly, the art of Adam Hughes or just good ol' blaster-blazing space opera, Death Hawk: The Soulworm Saga is a must-have!
