Defiance:The Essential Guide Syfy, Trion Worlds

Defiance: The Essential Guide by Syfy and Trion Worlds, which was produced for Kindle Fire Tablets, is an informative companion to the groundbreaking TV series and the incredible multiplayer game.

Set in the near future, Defiance introduces an exotically transformed planet Earth, its landscapes permanently altered following the sudden – and tumultuous – arrival of seven unique alien races.

In this somewhat unknown and unpredictable landscape, the richly diverse, newly-formed civilization of humans and aliens must learn to co-exist peacefully. Each week, viewers will follow an immersive character drama set in the boom-town of Defiance, which sits atop the ruins of St. Louis, MO, while in the game, players will adventure in the new frontier of the San Francisco Bay area.

The dramatic tapestry of the series and the intense action of the game will exist in a single universe where their respective narratives will inform one another and evolve together into one overall story.

Defiance: The Essential Guide features the following:

- Show and Game Character Profiles
- Behind-the-Scenes Photos
- Secret Game Codes
- Concept Art
- Alien Alphabets
- Game Screenshots
- Defiance ePostcards
- Cast Bios

This guide is a ""must-have"" for any fan of Defiance, the show and the game.
