#### **Athena Thornton:**

People live in this new day of lifestyle always make an effort to and must have the free time or they will get large amount of stress from both everyday life and work. So , when we ask do people have time, we will say absolutely of course. People is human not really a huge robot. Then we request again, what kind of activity do you possess when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, typically the book you have read is Elephantmen Vol. 2: Fatal Diseases.

#### **Marsha Gleason:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Elephantmen Vol. 2: Fatal Diseases can make you sense more interested to read.
