**Ghostly Thief of Time: An EMU Club Adventure (AMP! Comics for Kids)** Ruben Bolling

My name is Stuart Tennemeier, and I'm the President of the EMU Club (Exploration-Mystery-Unbelievable Club). This is my report of our second mission.

Once you've solved one great mystery involving alien cats and a robotic dog, how do you find a second one that is just as awesome to solve? Not huge crimes or weird stuff, but everyday mysteries that happen to everyone, like why does time seem to pass more slowly right before school ends? And at other times, like when you're watching your favorite TV show it seems to pass really quickly?

There are tons of little mysteries all around us. Sometimes if you look really, really, closely at them, you find out some amazing, incredible things. And you just might save the world.
