Girls Growing Up on the Autism Spectrum: What Parents and Professionals Should Know About the Pre-Teen and Teenage Years Shana Nichols

'This book is not only reassuring; it is inspiring, and bursting with ideas and achievable strategies. The authors write with authority and conviction, and tackle even the most difficult and delicate of topics. If ever you needed to be convinced that girls with ASD can overcome the difficulties and challenges of puberty and adolescence, have successful friendships and relationships and enjoy a healthy sexuality, then take the time to read this book - it is a must-have for families, teachers and therapists alike.'

-Sarah Attwood, author of Making Sense of Sex: A Forthright Guide to Puberty, Sex and Relationships for People with Asperger's Syndrome

Growing up isn't easy, and the trials and tribulations of being a teenager can be particularly confusing for girls with Autism Spectrum Disorders (ASDs). This book covers all the concerns commonly faced by girls with ASDs and their parents, from periods and puberty to worries over friendships and 'fitting in'.

Taking a good look at these adolescent issues, and many more, within the context of specific areas of difficulty for girls with ASDs, the authors provide families with the knowledge and advice they need to help their daughters - and the whole family - through the teenage years. This book addresses core issues such as cognition, communication, behavior, sensory sensitivities, and social difficulties; it gives candid and realistic advice on a wide range of important teenage topics.

Providing professional perspectives alongside personal experiences from mothers, daughters and educators, this is a unique and indispensable guide for families and their daughters with ASDs, as well as the teachers and professionals who work with them.

From reader reviews:

Byron Jorgensen:

Nowadays reading books are more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge even the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want have more knowledge just go with training books but if you want really feel happy read one with theme for entertaining for instance comic or novel. Typically the Girls Growing Up on the Autism Spectrum: What Parents and Professionals Should Know About the Pre-Teen and Teenage Years is kind of book which is giving the reader unstable experience.

Phyllis Baudoin:

Typically the book Girls Growing Up on the Autism Spectrum: What Parents and Professionals Should Know About the Pre-Teen and Teenage Years has a lot of knowledge on it. So when you make sure to read this book you can get a lot of profit. The book was published by the very famous author. Mcdougal makes some research before write this book. This book very easy to read you will get the point easily after reading this book.

Sarah Johnson:

The reason why? Because this Girls Growing Up on the Autism Spectrum: What Parents and Professionals Should Know About the Pre-Teen and Teenage Years is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book close to it was fantastic author who have write the book in such amazing way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have got such as help improving your proficiency and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the guide store hurriedly.

Hye Elliott:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Girls Growing Up on the Autism Spectrum: What Parents and Professionals Should Know About the Pre-Teen and Teenage Years can make you truly feel more interested to read.
