Reincarnation Beliefs of North American Indians: Soul Journey, Metamorphosis, and Near Death Experience Warren Jefferson

Here is an in-depth look at spiritual experiences about which very little has been written. Belief in reincarnation exists not only in India but in most small tribal societies throughout the world, including many Indian groups in North America.

The reader is offered a rich tapestry of stories from a number of North American tribes about death, dying, and returning to this life. Included are stories from the Inuit of the polar regions; the Northwest Coast people, such as the Kwakiutl, the Gitksan, the Tlingit, and the Suquamish; the Hopi and the Cochiti of the Southwest; the Winnebago of the Great Lakes region; the Cherokee of the Southeast; and the Sioux people of the Plains area.

Readers will learn about a Winnebago shaman's initiation, the Cherokee's Orpheus myth, the Hopi story of A Journey to the Skeleton House, the Inuit man who lived the lives of all animals, the Ghost Dance, and other extraordinary accounts.

The ethnological record indicates reincarnation beliefs are found among the indigenous peoples on all continents of this earth as well as in most of the world's major religions. This book makes a valuable contribution towards having a deeper understanding of North American Indian spiritual beliefs.
