This Ramshackle Tabernacle Samuel Martin

This Ramshackle Tabernacle is a collection of short stories set in and around the fictional villages of St. Lola and St. Olga in northeastern Ontario. Whether reflecting on the broken lives of others in the community or mourning the death of a friend who drowned in a freak fishing accident, the characters in this collection face tragedy with grace, humour and perseverance.

These stories deal with both the rundown and ruined aspects of our humanity but also with the redeeming and renewing love that can hold a community together when tragedies threaten to make it crumble.
