#### **Vincent Cartagena:**

Are you kind of active person, only have 10 or even 15 minute in your time to upgrading your mind ability or thinking skill even analytical thinking? Then you are having problem with the book as compared to can satisfy your short period of time to read it because this all time you only find reserve that need more time to be learn. In His Time: My Journey to Love can be your answer mainly because it can be read by an individual who have those short extra time problems.

#### **April Harry:**

As a student exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this In His Time: My Journey to Love can make you sense more interested to read.
