For the very real people in David Ebenbach's vivid and emotional stories," says author Jesse Lee Kercheval, "becoming a parent-as Judith, the single mother in four of the stories, says-is going 'into the wilderness.'" The collection *Into the Wilderness* explores the theme of parenthood from many angles: an eager-to-connect divorced father takes his kids to a Jewish-themed baseball game; a lesbian couple tries to decide whether their toddler son needs a man in his life; one young couple debates the idea of parenthood while another struggles with infertility; a reserved father uses an all-you-can-eat buffet to comfort his heartbroken son. But the backbone of the collection is Judith, who we follow through her challenging first weeks of motherhood, culminating in an intense and redemptive baby-naming ceremony. Says author Joan Leegant, "Ebenbach takes us deep into the heart of the messy confusion and terror and unfathomable love that make up that shaky state we call parenthood. These stories are fearless, honest and true.
