He had seen the discreet advert in the Evening Standard, it had appealed to his fantasies and the thought of being exposed under the control of a dominating female excited him tremendously. Nervously he dialed the number from the advert, he was excited and as he stood naked in the apartment, his penis fully erect, he slowly masturbated waiting for the phone to be answered. After what seemed to be an eternity a soft female voice with a slight French accent answered at the other end.

His expectations for his fantasy were to be exceeded beyond belief and leave him in a very naked predicament.
