Supernatural Bounty Hunters Amber Kell, Rj Scott

The Vampire Contract.

Vampire Micah Jamieson is found guilty of killing his human husband. He runs from the execution he is facing to get home. He just has to pray he'll reach home before supernatural law enforcement, in the shape of a Glitnir Court Retriever close in on him..

Wolf shifter and Retriever, Connor Strand easily captures Micah and he's fully prepared to take the runaway in. But his wolf has other ideas. Something about Micah challenges Connor and his long held beliefs..

What if Micah is actually innocent? Will Connor put to one side his own prejudices, and then risk both his life and career to keep Micah safe?.

The Guilty Werewolf.

Declan Finlay is the best Retriever that Glitnir has. Well, he is now that Connor Strand has gone rogue..

He is sent to hunt Connor - the guilty werewolf. But he doubts that his best friend could ever be guilty and he resolves to track him down and find out why he ran with the renegade vampire..

When the Fae Alliance, reporting to Glitnir, demand that he not go alone he is forced to accept the incubus, Levi Tiernan, an assassin, as his companion on the journey. If Declan doesn't kill Connor, then Levi will..

What happens when old lust and love dictate action and suddenly Declan is questioning everything he knows..

The Warlock's Secret.

In a world where magic is rare, Joseph Jamieson is one of the most powerful holders of power. Orophin Tiwele, or Phin to his friends, is the son of the Elf King and has magic of his own. The rules say two supernatural beings with magic cannot be together and Joseph and Phin have lived by that rule despite their attraction to each other..

The resistance is growing larger each day, but traitors threaten everything Joseph has built. He wants peace, but soon comes to realize the way to peace, is through war..

When the only thing that will save lives is Joseph and Phin working together, it becomes impossible to see where magic and passion end and where love could begin.
