#### What's Life Without the Sprinkles? Misty Simon

Cake maker and single mom Claudia Bradley thinks she has life all figured out—until her best friend Nate starts looking like a mouth-watering dessert and her son's father comes strolling back into the picture as if he'd never left ten years ago. Throw in a case of preteen angst and a family with lots of well-meant advice, and, well, she's whipping up a recipe for chaos!

Nate West has always been there for Claudia, a basic ingredient in her life, but suddenly she is flirting outrageously with him when she's never looked that way at him before—despite his dreams. With her exlover back in town, Nate isn't about to renege on his years-old promise to always be the friend Claudia needs, but does she want more?

She's as tempting as butter cream frosting with sprinkles, and he's mighty tempted...

This is a new release of a previously published edition.
