#1 Changing Moon (Nola's Worlds) Mathieu Mariolle

In Alta Donna, the weather is great, the sunsets are super, and the stars twinkle brightly. Perfect, right? No! It's super *boring*. Nothing *real* ever happens. Everybody says I spend too much time daydreaming in my own little world. At least my dreams are more interesting than Alta Donna. But what if Alta Donna is hiding a secret? The two new kids in town are up to something. No one could be as good a baseball player as Damiano, and no one could be as charming as Inés. The moment they arrived, life in Alta Donna stopped being perfect and started getting weird. Who are they *really*?

I always say, if you need a puzzle solved, look for someone with a BIG imagination. And that's me. Nola.
