Marx's 'Grundrisse': A Reader's Guide (Reader's Guides)

Simon Choat

Marx's 'Grundrisse': A Reader's Guide (Reader's Guides) Simon Choat

The *Grundrisse* is widely regarded as one of Marx's most important texts, with many commentators claiming it is the centrepiece of his entire oeuvre. It is also, however, a notoriously difficult text to understand and interpret. In this - the first guide and introduction to reading the *Grundrisse* - Simon Choat helps us to make sense of a text that is both a first draft of *Capital* and a major work in its own right. As well as offering a detailed commentary on the entire text, this guide explains the *Grundrisse*'s central themes and arguments and highlights its impact and influence.

The *Grundrisse*'s discussions of money, labour, nature, freedom, the role of machinery, and the development and dynamics of capitalism have influenced generations of thinkers, from Anglo-American historians such as Eric Hobsbawm and Robert Brenner to Continental philosophers like Antonio Negri and Gilles Deleuze, as well as offering vital insights into Marx's methodology and the trajectory of his thought.

Contemporary examples are used throughout this guide both to illuminate Marx's terminology and concepts and to illustrate the continuing relevance of the *Grundrisse*. Readers will be offered guidance on:

- Philosophical and Historical Context
- Key Themes
- Reading the Text
- Reception and Influence
