Toronto's CN Tower has fallen into the lake. The city is crowded with refugees from the US. Michael and Ruth Racco's dad has, in a rash of road rage, perpetrated the Backhoe Massacre. And, in the middle of it all, little Jimmy Hardcastle has, in the fountain of a suburban mall, walked on water. As helicopters chop the air over Toronto and a paranoid America slides into fascism, kids from south of the border collide with kids from north of the border and, over lattes, ruminate on new possibilities. *Your Secrets Sleep With Me* is a frenetic, ruthlessly hilarious critique of power and politics. Brilliant, absurd, incisive and fun, this caffeinated novel will take you on a doomed search for the place where you end and everything else begins. But you will not be alone. Shhh. Don't worry. Your secrets sleep with us.
