It had been thirty years since men and women had appeared on stage together in Afghanistan. Was the country ready for it? Few Afghan actors had ever done theater. Did they even know how? They had performed only in films and television dramas.

Still, a company of actors gathered—among them a housewife, a policewoman, and a street kid turned film star. With no certainty of its outcome, they set out on a journey that would have life-changing consequences for all of them, and along the way lead to *A Night in the Emperor's Garden*.
