As Primeiras civilizações (Portuguese Edition)

Jaime Pinsky

As Primeiras civilizações (Portuguese Edition) Jaime Pinsky

"As primeiras civilizações" é uma obra enganadoramente fácil que, uma vez iniciada, se lê de uma vez só. O texto claro é fruto de cuidadosa elaboração e sua leveza esconde anos de pesquisa e docência do historiador Jaime Pinsky. No livro - que ultrapassou 50 mil exemplares vendidos - está narrado o fascinante processo civilizatório que conduz nossos ancestrais à conquista da fala, da agricultura, da escrita, à criação das cidades e dos impérios, à construção de templos e palácios, ao controle sobre os rios, à criação da civilização.

Pitecantropídeos e Homo sapiens, coletores e agricultores, sociedades tribais e grandes impérios, egípcios, mesopotâmicos e hebreus são retratados nas páginas deste livro, cujo fascínio não decorre apenas dos temas tratados, mas da forma como são tratados: o passado não é algo encerrado, mas presente em cada um de nós, tanto como herdeiros do patrimônio cultural - do fogo ao monoteísmo ético - quanto por sermos personagens da mesma aventura humana já trilhada pelos que nos antecederam.
