**Practical guidelines for designing growth strategies tailored to your church's gifts and needs**

What goals has your leadership team set for your church's future? A twenty percent increase in your attendance? To double your present membership? What about planting new churches in neighboring communities and beyond?

Based on God's vision for churches in Matthew 28:18-20, Robert Logan presents sound methods for making disciples, winning the lost for Christ, and planting new churches. He introduces ten principles for church growth, taking you through the action steps necessary for implementing each one and providing the means for evaluation and correction.

Logan extends to you this exhortation: "If we take seriously the message of Ephesians 3, here's the exciting news: Our cup can never be too large to contain the blessing that God is *able* to pour upon us. The promise is that God is able to do *immeasurably more* than all we ask or imagine."

Take God at his word. Ask him for a new vision for the ministry he's given you. Then watch God work as never before as he leads you *Beyond Church Growth*.
