Dear Americans: Letters from the Desk of Ronald Reagan

Dear Americans: Letters from the Desk of Ronald Reagan

Ronald Reagan's "Handwriting File" contains an archive of thousands of handwritten missives from the president to his constituents, written throughout his eight years in office. Historian Ralph E. Weber and his son have selected the highlights from this treasure trove, creating a uniquely intimate portrait of Reagan at work.

A fascinating glimpse at the issues facing the United States during the 1980s, *Dear Americans* is arranged chronologically to trace history in the making. Taking time each week to respond to dozens of Americans who asked him about a tremendous range of issues, Reagan delivered sensitive, eloquent messages to senior citizens worried about the Social Security program's solvency, angry critics of the Star Wars missile defense program, parents of soldiers killed in Lebanon, and children inquiring about details of presidential life. Not all of the recipients were strangers; *Dear Americans* also features correspondence with close friends of Reagan, both famous and obscure.

Written in a down-to-earth, often gently humorous tone, the letters featured in *Dear Americans* reveal much about this president's unshakable political convictions, religious faith, and concern for humanity. In the bestselling tradition of *When Character Was King* and *I Love You, Ronnie*, this compulsively readable collection will be on thousands of wish lists this holiday season.
