Cómo educar la voluntad (Hacer Familia) (Spanish Edition) Fernando Corominas

Este libro pretende ser una ayuda a padres y profesores en un campo concreto y muy importante de la formación de hijos y alumnos: la educación de la voluntad. Es decir, conseguir que chicos y chicas sean personas de voluntad fuerte y sana, capaces de querer la verdad, de querer ser personas responsables, de querer a los demás, de querer estudiar...

De manera sencilla y directa nos enseña qué aspectos de la educación no podemos perder de vista: la educación temprana, la eficacia, la prevención y la motivación. Gracias a ello, podremos hacer de nuestros hijos personas con fuerza de voluntad, capaces de querer hacer lo que quieren y deben.

Debemos aprender a educar mejor de forma que los buenos resultados sean lo normal y no una consecuencia del azar.

Fernando Corominas es doctor en Ingeniería Naval y Presidente del Instituto Europeo de Estudios de la Educación (IEEE). Lleva más de veinticinco años investigando en el campo de la educación familiar, pronunciando más de mil conferencias en todo el mundo.

From reader reviews:

Frances Small:

Information is provisions for individuals to get better life, information currently can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is inside the former life are hard to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take Cómo educar la voluntad (Hacer Familia) (Spanish Edition) as your daily resource information.

Johnnie Lewis:

Playing with family within a park, coming to see the marine world or hanging out with close friends is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Cómo educar la voluntad (Hacer Familia) (Spanish Edition), you could enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't understand it, oh come on its called reading friends.

Nancy Steffen:
