Death at SeaWorld: Shamu and the Dark Side of Killer Whales in Captivity David Kirby

From the *New York Times* bestselling author of *Evidence of Harm* and *Animal Factory*—a groundbreaking scientific thriller that exposes the dark side of SeaWorld, America's most beloved marine mammal park

Death at SeaWorld centers on the battle with the multimillion-dollar marine park industry over the controversial and even lethal ramifications of keeping killer whales in captivity. Following the story of marine biologist and animal advocate at the Humane Society of the US, Naomi Rose, Kirby tells the gripping story of the two-decade fight against PR-savvy SeaWorld, which came to a head with the tragic death of trainer Dawn Brancheau in 2010. Kirby puts that horrific animal-on-human attack in context. Brancheau's death was the most publicized among several brutal attacks that have occurred at Sea World and other marine mammal theme parks.

Death at SeaWorld introduces real people taking part in this debate, from former trainers turned animal rights activists to the men and women that champion SeaWorld and the captivity of whales. In section two the orcas act out. And as the story progresses and orca attacks on trainers become increasingly violent, the warnings of Naomi Rose and other scientists fall on deaf ears, only to be realized with the death of Dawn Brancheau. Finally he covers the media backlash, the eyewitnesses who come forward to challenge SeaWorld's glossy image, and the groundbreaking OSHA case that challenges the very idea of keeping killer whales in captivity and may spell the end of having trainers in the water with the ocean's top predators.

People who think that in publication form make them feel drowsy even dizzy this e-book is the answer. So there is absolutely no in reading a book especially this one. You can find actually looking for. It should be here for an individual. So , don't miss it! Just read this e-book type for your better life as well as knowledge.

Maria Simmons:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful

pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Death at SeaWorld: Shamu and the Dark Side of Killer Whales in Captivity can make you feel more interested to read.
