Switched Jessica Wollman

From rags . . .

Laura Mellon has never met a fabric she couldn't soften or a stain she couldn't remove. She's tired of cleaning houses with her starry-eyed mom. But it's the only way she'll save enough \$\$\$ for college.

To riches . . .

Willa Pogue can't enjoy being an heiress. She's too busy worrying about fitting in at Fenwick, her snooty new Connecticut boarding school. Then she meets Laura, her new maid. Laura's the spitting image of Willa!

Soon Laura is trading vacuums for Fenwick's ivy-covered campus, and Willa is sinking blissfully into the anonymity of the hired help. But then Laura begins to fall for preppy Caleb Blake, and Willa discovers a brandnew (and completely unacceptable for a Pogue) passion. Can the girls ever return to their old lives?

From the Hardcover edition.

From reader reviews:

Terry Matlock:

A lot of people always spent their free time to vacation or go to the outside with their family or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. In order to try to find a new activity that is look different you can read a new book. It is really fun for you personally. If you enjoy the book that you simply read you can spent 24 hours a day to reading a publication. The book Switched it is very good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. In case you did not have enough space bringing this book you can buy often the e-book. You can m0ore easily to read this book from your smart phone. The price is not too expensive but this book possesses high quality.

Susan Granger:

Reading can called imagination hangout, why? Because if you are reading a book specifically book entitled Switched your brain will drift away trough every dimension, wandering in every single aspect that maybe unknown for but surely can become your mind friends. Imaging every word written in a reserve then become one web form conclusion and explanation that will maybe you never get prior to. The Switched giving you an additional experience more than blown away the mind but also giving you useful data for your better life within this era. So now let us demonstrate the relaxing pattern is your body and mind will probably be pleased when you are finished reading through it, like winning a. Do you want to try this extraordinary shelling out spare time activity?

Kevin Zavala:

Is it you who having spare time in that case spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Switched can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these guides have than the others?

Adrienne Helms:

What is your hobby? Have you heard that question when you got learners? We believe that that question was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person such as reading or as reading through become their hobby. You have to know that reading is very important and book as to be the matter. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You get good news or update with regards to something by book. Numerous books that can you choose to adopt be your object. One of them is actually Switched.
