It's impossible to go a full day without using snark, so why fight it? Snark is everywhere, from television to movies to everyday life. This lively collection provides hours of entertainment—better than an Etch A Sketch, and more fun than Silly Putty! At the heart of it, being in a state of snark can be one of the most useful tools at one's disposal and hence (yes, I used "hence"), a powerful way to get what you want. With snark, you can catch people completely off-guard, and royally piss them off.

Included here is the Snark Hall of Fame, the Best Snarky Responses to Everyday Dumbassness, and much more. It's a book that will make you laugh. It's a book that will make someone else cry. It's a book every student of the American psyche (that's all of us, Sparky) needs to have. Let loose. Let your inner anger become a positive rather than a negative, but most of all, have fun. (Yeah, like that's something you know how to do.)
