Randall Balmer's *Mine Eyes Have Seen the Glory* is an insightful and engaging journey into the world of conservative Christians in America. Originally published twenty-five years ago and the basis for an award-winning, three-part PBS documentary, this new edition is complete with a new chapter and an Afterword. In this immensely readable tour of the highways and byways of American evangelicalism, Balmer visits a revival meeting in Florida, an Indian reservation in the Dakotas, a trade show for Christian booksellers, and a fundamentalist Bible camp in the Adirondacks. Through the eyes of those that Balmer meets on his journeys, we arrive at a more accurate and balanced understanding of an abiding tradition that, as the author argues, is both rich in theological insights and mired in contradictions. *Mine Eyes Have Seen the Glory* offers readers a genuine insight into the appeal that the evangelical movement holds for thousands of Americans.
