Overpayments and Recovery of Social Security Benefits: A Guide to Advice and Representation Paul Stagg

Written for advisers working in welfare law, this is a guide to the complex and confusing position of defending claimants against recovery of overpaid benefits. The book contains detailed coverage of the law governing statutory recovery of benefits, including housing benefit and council tax, and also discusses the position under common law, as well as the effect of criminal law. Appendices contain relevant statutory provisions, model submissions, model grounds of appeal, checklists, and other sources of information.
