Richard Posner

William Domnarski

Richard Posner William Domnarski

Judge Richard Posner is one of the great legal minds of our age, on par with such generation-defining judges as Holmes, Hand, and Friendly. A judge on the U.S. Court of Appeals for the Seventh Circuit and the principal exponent of the enormously influential law and economics movement, he writes provocative books as a public intellectual, receives frequent media attention, and has been at the center of some very high-profile legal spats. He is also a member of an increasingly rare breed-judges who write their own opinions rather than delegating the work to clerks-and therefore we have unusually direct access to the workings of his mind and judicial philosophy.

Now, for the first time, this fascinating figure receives a full-length biographical treatment. In *Richard Posner*, William Domnarski examines the life experience, personality, academic career, jurisprudence, and professional relationships of his subject with depth and clarity. Domnarski has had access to Posner himself and to Posner's extensive archive at the University of Chicago. In addition, Domnarski was able to interview and correspond with more than two hundred people Posner has known, worked with, or gone to school with over the course of his career, from grade school to the present day. The list includes among others members of the Harvard Law Review, colleagues at the University of Chicago, former law clerks over Posner's more than thirty years on the United States Court of Appeals for the Seventh Circuit, and even other judges from that court.

Richard Posner is a comprehensive and accessible account of a unique judge who, despite never having sat on the Supreme Court, has nevertheless dominated the way law is understood in contemporary America.

From reader reviews:

Gary Rose:

What do you consider book? It is just for students since they are still students or that for all people in the world, exactly what the best subject for that? Only you can be answered for that issue above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great in addition to important the book Richard Posner. All type of book would you see on many resources. You can look for the internet methods or other social media.

Denise Lee:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a understanding or any news even restricted. What people must be consider whenever those information which is in the former life are challenging to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you have the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Richard Posner as your daily resource information.

Tammy Campbell:

Beside that Richard Posner in your phone, it may give you a way to get closer to the new knowledge or information. The information and the knowledge you may got here is fresh from oven so don't always be worry if you feel like an old people live in narrow town. It is good thing to have Richard Posner because this book offers to your account readable information. Do you occasionally have book but you rarely get what it's all about. Oh come on, that won't happen if you have this in your hand. The Enjoyable blend here cannot be questionable, like treasuring beautiful island. Use you still want to miss it? Find this book and read it from at this point!

Adrienne Helms:

That reserve can make you to feel relax. This book Richard Posner was vibrant and of course has pictures around. As we know that book Richard Posner has many kinds or category. Start from kids until teenagers. For example Naruto or Detective Conan you can read and believe that you are the character on there. Therefore not at all of book usually are make you bored, any it makes you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading in which.
