The Kissing List Stephanie Reents

An inventive debut that recalls the imagination of Aimee Bender and the sardonic wit of Lorrie Moore.

The interlocking stories in *The Kissing List* feature an unforgettable group of young women – Sylvie, Anna, Frances, Maureen – as their lives connect, first during a year abroad at Oxford, then later as they move to New York on the cusp of adulthood. We follow each of them as they navigate the treachery of first dates, temp jobs and roommates, failed relationships and unexpected affairs – all the things that make their lives seem full of possibility, but also rife with potential disappointment.

Shot through with laugh-out-loud lines, yet still wrenchingly emotional and resonant, *The Kissing List* is a book about women who bravely defy expectations and take outrageous chances in the face of a life that might turn out to be anything less than extraordinary.

From the Hardcover edition.
