Bryce has always felt different from other men, and when his wolf-spirit awakens, he discovers why. He vies for sexual dominance with the other members of his pack, male and female, and learns to simply take what he wants from lesser beings. Can normal humans hope to resist a werewolf's impossible sexual charisma? In the end, will Bryce be top dog, or just another bitch?

This novella contains scenes of sexual power-plays, hot BDSM struggles, and group gay sex.
