Excerpt from Great in Goodness: A Memoir of George N. Briggs, Governor of the Commonwealth of Massachusetts, From 1844 to 1851

There are perhaps not a few lives, in the great annals of our age, which are invested at their close with sufficient interest to entitle them to immediate commemoration by some friendly hand, and to secure for the service rendered a meed of approval more or less general and cordial.

It is of rare occurrence, however, that a life which has ceased for several years without any adequate memorial, will, by the force of its inherent excellence and by the charm of its unfading beauty, not only justify but compel a tardy portraiture.

The life of Governor Briggs is of this exceptional order. The silent lapse of five years has served not to cloud it with the mists of forgetfulness, but rather to brighten it into the pure and steady radiance of a meridian fulness. The long continued reticence of the biographer concerning this noble life has proved to be less an injustice done to that, than to the public outside of the wide sphere which it filled.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
