Groo is BACK! And, oddly enough, that might not be the biggest disaster looming over the planet. It seems that things are getting hotter everywhere... that is, in those places where it isn't getting colder than ever before! The usual suspects Sergio Aragones and Mark Evanier once again join forces to bring you a sidesplitting tale of the world's stupidest barbarian. Unfortunately, there might not be much world left by the end of their story! * ". . . it goes without saying that Aragones' art is wonderful. He hasn't lost a step over the years, and may even be doing the best work of his career here... " ComicsBulletin.com * "Commemorating his 25th anniversary, Groo stands tall as a comic icon, and if you've never followed the character before, now is a good time to jump on!" Wizard Magazine
