*Brian Yorkey, Tom Kitt*

**Next to Normal** Brian Yorkey, Tom Kitt

## Winner of the 2010 Pulitzer Prize for Drama

“Rock is alive and rolling like thunder in *Next to Normal*. It’s the best musical of the season by a mile...an emotional powerhouse with a fire in its soul and a wicked wit that burns just as fiercely.”—*Rolling Stone*

“No show on Broadway right now makes as a direct grab for the heart—or wrings it as thoroughly—as *Next to Normal* does. . . . [It] focuses squarely on the pain that cripples the members of a suburban family, and never for a minute does it let you escape the anguish at the core of their lives. *Next to Normal* does not, in other words, qualify as your standard feel-good musical. Instead this portrait of a manic-depressive mother and the people she loves and damages is something much more: a feel-everything musical, which asks you, with operatic force, to discover the liberation in knowing where it hurts.”—Ben Brantley, *The New York Times*

Winner of three 2009 Tony Awards, including Best Original Score (Music and/or Lyrics) Written for the Theatre, *Next to Normal* is also available in an original cast recording. It was named Best Musical of the Season by *Rolling Stone*, *The Washington Post*, *Los Angeles Times*, and *The New York Times*.

**Brian Yorkey** received the 2009 Tony Award for Best Original Score for his work on *Next to Normal* and was also nominated for Best Book of a Musical. His other credits include *Making Tracks* and *Time After Time*.

**Tom Kitt** received two 2009 Tony Awards for Best Original Score and Best Orchestrations for *Next to Normal*. He also composed the music for *High Fidelity* and *From Up Here*. His string arrangements appear on the new Green Day album *21st Century Breakdown*, and he is the leader of the Tom Kitt Band.
