## **Plant Spirit Medicine: The Healing Power of Plants** Eliot Cowan

This is a trailblazing book that explores an old way of healing through the spirit of plants! Eliot Cowen learned that it wasn't the plant that healed a person, but the spirit in the plant. Learning to contact the spirit of the plant was to ask it directly to heal the person. This ancient practice of plant spirit medicine, long forgotten in the West, has now been remembered, revitalized and reintroduced by this American healer.
