Powerful, life-altering information from an enlightened being of the Pleiadian star system, channeled through the author...

Heather Wallace has been channeling information for more than a decade. To use her word, “translator” is a more accurate term for what she does when she connects with spiritually aware entities from the spirit plane. She only connects and collaborates with beings working toward the greater good with love and integrity; she protects herself from malevolent beings and does not allow them to break through her psychic barriers. For her collaboration on *Shift: New Paradigms for a New Earth*, she connected with a being called “Holly” from the Pleiadian star system and it is through Holly that she presents transformational information accessible to anyone interested to evolve to a more enlightened existence.

In *Shift: New Paradigms for a New Earth* Holly reveals outmoded programs that do not support self-empowerment or self-love and introduces ways in which the reader can shift these outmoded paradigms, embracing new ideas and concepts that align with our divine being. Holly explains our evolution from a mental-driven culture into a heart-centered species and how our previous patterns of behavior are no longer serving us. She covers the nature of time as not being linear, reincarnation, our nature as multidimensional beings, why we are here, vibrational frequency and other dimensions. As we move into a new age of expanded spiritual awareness, these subjects are becoming part of our accepted knowledge base and reality. Our vibration has shifted, and continues to shift, bringing us into an unprecedented era of expansion. It reasonably follows that new knowledge will now be available to us that is in resonance with our new vibration.

*Shift: New Paradigms for a New Earth* will teach you:

- About the earth’s new vibrational plane and how to operate in this new space
- How to have healthy, happy relationships—with yourself, your mate and the world around you
- How to heal conflict at the personal and global levels
- How to bring your emotional, mental, and spiritual selves into balance
- The difference between the law of attraction and manifestation, and how to use both to create what you want in your life
- The nature of the soul and ourselves as multidimensional beings
- The purpose behind violence and natural disasters

*Shift: New Paradigms for a New Earth* is a practical guide and presents relatable, simple examples and exercises to help the reader fully embrace the information and put it into practical application in their everyday life.
