**Thirsty Nation: Priorities for India's Water Sector** Joseph P Quinlan, Sumantra Sen, Kiran Nanda  
Water is the most precious natural resource in the world—far ahead of oil and minerals. Blue Gold not only analyses the impending water crisis to hit the world and more importantly India—but also explores the investment opportunities possible in the water sector.

Presented in the book are innovative, cutting edge ways to combat the water crisis and ways of investing in the right projects. The roles of technology, finance, and a general view of domestic and foreign investment in water are explored by the authors and practical and lucrative financial advice is offered making it an important book in the present ecological and financial environment.
