ModX Web Development - Second Edition Antano Solar John
This book is an example-driven tutorial, which will take you from the installation of MODx through to configuration, customization, and deployment. Step-by-step instructions will enable you to build a fully-functional, feature-rich website quickly and without the knowledge of any programming language. This book is ideal for newcomers to MODx. Both beginners and experienced web developers will benefit from this comprehensive guide to MODx. No knowledge of PHP programming or any templating language is needed, but the more advanced chapters towards the end of the book will allow more confident developers to extend their applications even further by creating their own snippets.
