A smooth-talking rogue and a dowdy financial genius

Handsome, silver-tongued politician Lord Randall doesn't get along with his bank partner, the financially brilliant but hopelessly frumpish Isabella St. Vincent. Ever since she was his childhood nemesis, he's tried-and failed-to get the better of her.

Make a perfectly wicked combination

When both Randall's political career and their mutual bank interests are threatened by scandal, he has to admit he needs Isabella's help. They set off on a madcap scheme to set matters right. With her wits and his charm, what could possibly go wrong? Only a volatile mutual attraction that's catching them completely off guard...
